### **INFORMATION CIRCULAR**

dated February 14, 2020

### **MANAGEMENT SOLICITATION OF PROXIES**

This Information Circular is furnished in connection with the solicitation of proxies by the management of Falcon Gold Corp. (the “**Company**”) for use at the annual general meeting of the shareholders of the Company to be held at the Company’s office at #520 - 470 Granville Street, Vancouver, BC V6C 4V5 at 1:00 p.m. (Pacific time) on Monday, the 30th day of March, 2020 (the “**Meeting**”), and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual General Meeting (the “**Notice of Meeting**”). Unless specified otherwise, the information contained in this Information Circular is current as at February 13, 2020.

#### **Delivery of Proxy Materials**

The Company has elected to use the notice and access method of delivering meeting materials to both registered and beneficial shareholders. Registered shareholders will still be mailed a form of proxy, and beneficial shareholders will still be mailed a voting instruction form, allowing them to vote at the Meeting. Shareholders will also receive in the mail a notice with information about the Meeting and instructions on how they can access electronic copies of the meeting materials rather than receiving printed copies. The meeting materials will be available on SEDAR ([www.sedar.com](http://www.sedar.com)) and the Company’s website ([www.falcongold.ca/s/AGM.asp](http://www.falcongold.ca/s/AGM.asp)).

Shareholders may access electronic copies of the meeting materials online at the Company’s website or SEDAR on or after February 21, 2020, which is the date that the Company intends to commence mailing notice packages to the shareholders of record.

The Company does not intend to use “stratification” (i.e. sending a paper information circular and/or annual financial statements and MD&A to certain shareholders); however the Company will comply with standing instructions or other requests for paper information circular and/or annual financial statements and MD&A received from beneficial holders.

The Company intends to mail directly to its non-objecting beneficial owners (“NOBOs”) in compliance with National Instrument 54-101 *Communications with Beneficial Owners of Securities of a Reporting Issuer* (“NI 54-101”). The Company does not intend to pay for Intermediaries (as defined in the section ‘*Notice to Beneficial Holders*’ below) to forward meeting materials to the objecting beneficial owners (“OBOs”) pursuant to NI 54-101. Therefore, OBOs will not receive materials unless their Intermediary assumes the cost of delivery.

#### **How to Obtain Paper Copies of the Proxy Materials**

Shareholders may request that the Company mail to them a paper copy of this Information Circular and/or the Company’s Fiscal 2019 Annual Financial Statements and MD&A, at no cost to them, at any time up to one year from the date the documents were filed on SEDAR.

Requests to receive a paper copy of this Information Circular and/or the Company's Fiscal 2019 Annual Financial Statements and MD&A may be made by telephone by calling 1-855-683-1991. Requests to receive a paper copy of this Information Circular must be received by the Company by the close of business on February 28, 2020, in order to ensure that shareholders receive the mailed documents with sufficient time to allow them to complete and return their proxy or voting instruction form before the Proxy cut-off date and time.

**Please note that if you request a paper copy of this Information Circular and/or the Company's Fiscal 2019 Annual Financial Statements and MD&A, you will not receive a new proxy or voting instruction form so you should retain the form mailed to you in order to vote.**

## PROXIES

### Appointment of Proxies

The persons named in the form of proxy or voting instruction form (both referred to herein as the "Proxy") are nominees of the Company's management. **A shareholder wishing to appoint a person (who need not be a shareholder) to attend and act for him on his behalf at the Meeting, other than the persons designated as proxy holders in the enclosed Proxy, may do so by striking out the printed names and inserting the name of such other person in the blank space provided in the Proxy or by completing another proper form of proxy.** The completed Proxy or other proper form of proxy must be delivered or faxed to TSX Trust Company, or as otherwise instructed in the Proxy, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the time for holding the Meeting. The Chairman of the Meeting has the discretion to accept proxies on the day of the Meeting.

### Revocation of Proxies

A shareholder who has given a Proxy may revoke it at any time before it is exercised by an instrument in writing (a) executed by the shareholder or by his attorney authorized in writing, or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation; and (b) delivered or faxed to TSX Trust Company at 301 - 100 Adelaide Street West, Toronto ON M5H 4H1 (fax: 416-595-9593), or to the registered office of the Company at 439 Helmcken Street, Vancouver, BC V6B 2E6 (fax: 604-684-3350), at any time up to and including the last business day preceding the day of the Meeting, or any adjournment thereof, or to the Chairman of the Meeting on the day of the Meeting or any adjournment thereof, before any vote in respect of which the Proxy is to be used shall have been taken, or in any other manner provided by law. Attendance at the Meeting and participation in a poll by a shareholder will automatically revoke the Proxy.

### Voting of Proxies and Exercise of Discretion by Proxyholders

The shares represented by the Proxy will be voted or withheld from voting in accordance with the instructions of the shareholder on any ballot that may be called for and if the shareholder specifies a choice with respect to any matter to be acted upon, the shares will be voted accordingly. **IF A CHOICE IS NOT SO SPECIFIED, IT IS INTENDED THAT THE PERSON DESIGNATED BY MANAGEMENT IN THE ACCOMPANYING PROXY WILL VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF EACH MATTER IDENTIFIED ON THE PROXY.**

The Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to any matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Information Circular, management of the Company knows of no such amendments, variations, or other matters to come before this Meeting.

**Solicitation of Proxies**

Solicitations of proxies will be made by mail and may be supplemented by telephone or other personal contact to be made without special compensation by regular officers and employees of the Company. The Company may reimburse shareholders' nominees or agents (including brokerage houses holding shares on behalf of clients) for the cost incurred in obtaining their authorization to execute forms of proxy. The cost of solicitation will be borne by the Company.

**Notice to Beneficial Owners**

Most beneficial owners of the Company's shares are NOT listed on the Company's register of shareholders. Beneficial owners will not be listed if they hold their shares through an intermediary, such as a brokerage firm, bank, trust company, RRSP, RRIF, TFSA, or other firm, financial institution or company. In this discussion, such owners are referred to as "you" or as a "Beneficial Owner", and the firm, financial institution or company through which you hold your shares are referred to as "Intermediaries". This discussion does not apply to owners of shares of the Company who hold their shares directly instead of through an Intermediary and who are therefore listed directly on the Company's register of shareholders.

The Company can only recognize votes and take instructions from shareholders who are listed on its register of shareholders.

The Company intends to mail directly to non-objecting beneficial owners ("NOBOs"). Therefore, if you are a NOBO, in order to vote at the Meeting, you will either need to instruct the Company on how to vote your shares, or instruct the Company to authorize you or someone you appoint to attend and vote at the Meeting. To do so, you will need to complete the Proxy sent to you by the Company, sign it and return it as instructed in the Proxy. If you want to attend and vote at the Meeting yourself, then you will need to strike out the names of the Management nominees just before the blank space on the Proxy, and insert your own name in the blank space. You can also appoint someone else to attend the Meeting and vote on your behalf by inserting that person's name in the blank space instead of your own on the Proxy.

Intermediaries may assume the cost of delivery and mail to objecting beneficial owners ("OBOs"). The Company will provide Meeting materials to the Intermediaries as requested. Therefore, if you are an OBO, in order to vote at the Meeting, you will either need to instruct your Intermediary on how to vote your shares, or instruct the Intermediary to authorize you or someone you appoint to attend and vote at the Meeting. To do so, you will need to complete the Proxy sent to you by or on behalf of your Intermediary, sign it and return it to your Intermediary or to another party directed by your Intermediary. If you want to attend and vote at the Meeting yourself, then you will need to strike out the names of the Management nominees just before the blank space on the Proxy, and insert your own name in the blank space, or as otherwise instructed by your Intermediary. You can also appoint someone else to attend the Meeting and vote on your behalf by inserting that person's name in the blank space instead of your own on the Proxy, or as otherwise instructed by your Intermediary.

Again, if you wish to give voting instructions to persons listed on the Proxy to vote on your behalf at the Meeting or if you wish to attend the Meeting and vote in person or have someone else attend and vote on your behalf, you must complete the Proxy and return it in accordance with the instructions and time limits provided. This will enable persons listed on the Proxy either to vote your shares as you have directed, or to give formal notice to the Company that you or someone you have appointed has the authority to attend and vote at the Meeting.

### **INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON**

None of the Directors or Executive Officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors.

Shareholders will be asked to approve the following resolution:

### **Stock Option Plan**

The Company has in place a stock option plan referred to as the “2016 Stock Option Plan” (the “Plan”), pursuant to which the Directors are authorized to grant up to 10% of the issued and outstanding shares of the Company as it may be from time to time. As at the date of this Information Circular, the Company is entitled to issue 6,018,518 options subject to the Plan, there are a total of 3,925,000 options outstanding, and a further 2,093,518 available for issuance (also see *Securities Authorized for Issuance Under Equity Compensation Plan* above).

The Plan is administered by the Board of Directors, or a committee thereof, who have the authority to grant options to directors, officers, employees, and consultants. At the time an option is granted, the Board will determine the exercise price, term (up to 10 years), and any vesting criteria or other restrictions with respect to the exercise of the options pursuant to the Policies of the TSX Venture Exchange. Subject to the restrictions contained in the Plan, the Board of Directors or a committee thereof may also impose such other terms and conditions as it shall deem necessary or advisable at the time of the grant.

Options are granted primarily to provide an incentive to achieve the Company’s goals by aligning the interests of such officers with those of shareholders, attracting and retaining personnel, and acting as a longer-term incentive to such personnel to encourage commitment to the Company and its objectives. All securities under option are Common Shares.

### **Employment, Consulting and Management Agreements**

#### *Service Contracts*

The Company has entered into service contracts with its Named Executive Officers. The service contracts with the Company’s Named Executive Officers have an initial fixed term and automatically renew annually thereafter. The agreements include non-disclosure covenants requiring the NEO to keep the Company’s confidential information confidential and prohibiting its use other than on behalf and for the benefit of the Company, both during employment and for an indefinite period thereafter. In the event of the death of a NEO, the service contracts provide for a one-time payment equal to one year's salary.

Pursuant to the terms of the Company’s Stock Option Plan (see *Stock Option Plan* below), in the event of termination of a Named Executive Officer or director, for any reason, all options to purchase common shares then held by the Named Executive Officer or director will terminate on the earlier of the original expiry date(s) of such options and the 90th day following termination, provided however that the Board may extend the options to the earlier of the original expiry date(s) of such options and one (1) year from the date of termination. In the event of the death of a Named Executive Officer or director, options may be exercised up to one (1) year after the date of death by the lawful inheritors.

The Company’s non-management Directors are entitled to receive compensation for acting as directors, or for providing extra services to the Company, in the form of stock options, bonuses or other compensation as the Board of Directors of the Company may determine from time to time. Directors of the Company are also entitled to reimbursement for any expenses incurred by them on behalf of the Company.

The Company has not entered into written agreements with its non-management directors, and has no arrangements with the directors with respect to termination or change of control. The Directors do not receive benefits upon termination of their position as directors, other than pursuant to the terms of the Company’s Stock Option Plan.

Other than disclosed above, the Company has no plans or arrangements in respect of remuneration received or that may be received by the Named Executive Officers, or any other director or officer of the Company in the Company's two most recently completed fiscal year or current fiscal year in respect of compensating such officers in the event of termination of employment as a result of resignation, retirement, a change of control of the Company, or a change in an individual's responsibilities.

*Indemnity Agreements and Directors' and Officers' Liability Insurance*

The Company indemnifies its directors and officers against any and all claims or losses reasonably incurred in the performance of their service to the Company, to the extent permitted by law, and has entered an Indemnity Agreement with its directors and NEOs. The Company purchases annual insurance coverage for directors' and officers' liability.

**Compensation Oversight**

The Board of Directors as a whole considers and determines all compensation matters for the NEOs and Directors. From time to time, the Board evaluates the compensation of the executives and ensures that they are compensated fairly in a manner consistent with the compensation strategy of the Company, internal equity considerations, and the competitive environment.

The Company is not intending to make any significant changes to its compensation policies and practices in the current financial year.

Currently, the Company's executive compensation package consists of a salary and long-term incentive in the form of stock options. While the Company currently has no formal executive bonus plan the executives may receive bonuses from time to time. In determining compensation, the Board considers in addition to the financial resources of the Company, industry, local and national standards. Compensation is not tied to specific performance criteria or goals. While the Company is generally aware of industry compensation standards, the Company does not benchmark with a specific group of comparable companies.

*Salaries*

Salaries for executive officers are set out in each executive's service contracts, as amended from time to time. Such salaries are reviewed on a regular basis by the Board. The initial annual salaries of the Company's current Named Executive Officers were negotiated at the time of their entering a formal agreement based on the Company's evaluation of the responsibilities inherent in the position held and the individual's experience and past performance, as well as by reference to the competitive marketplace for management expertise.

*Stock Options*

Options to purchase common shares are granted from time to time, pursuant to the Company's Stock Option Plan, as a means of aligning the interests of such officers with those of shareholders, attracting and retaining personnel, and acting as a longer-term incentive to such personnel to encourage commitment to the Company and its objectives.

#### **Orientation and Continuing Education**

Management of the Company takes steps to ensure that its directors and officers are continually updated as to the latest corporate and securities policies which may affect the directors, officers, committee members

and the Company as a whole. The Company continually reviews the latest securities rules and policies and is on the mailing list of the TSX Venture Exchange to receive updates to any of those policies. Any such changes or new requirements are then brought to the attention of the Company's Board either by way of Director or Committee meetings or circulated in a memorandum.

### **Ethical Business Conduct**

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law, and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company.

Pursuant to corporate legislation, a director is required to act honestly and in good faith with a view to the best interests of the Company and exercise the care, diligence and skill that a reasonably prudent person would exercise in comparable circumstances, and disclose to the board the nature and extent of any interest of the director in any material contract or material transaction, whether made or proposed, if the director is a party to the contract or transaction, is a director or officer (or an individual acting in a similar capacity) of a party to the contract or transaction or has a material interest in a party to the contract or transaction. The director must then abstain from voting on the contract or transaction unless the contract or transaction (i) relates primarily to their remuneration as a director, officer, employee or agent of the Company or an affiliate of the Company, (ii) is for indemnity or insurance for the benefit of the director in connection with the Company, or (iii) is with an affiliate of the Company. If the director abstains from voting after disclosure of their interest, the directors approve the contract or transaction and the contract or transaction was reasonable and fair to the Company at the time it was entered into, the contract or transaction is not invalid and the director is not accountable to the Company for any profit realized from the contract or transaction. Otherwise, the director must have acted honestly and in good faith, the contract or transaction must have been reasonable and fair to the Company and the contract or transaction be approved by the shareholders by a special resolution after receiving full disclosure of its terms in order for the director to avoid such liability or the contract or transaction being invalid.

### **Nomination of Directors**

The Company's management is continually in contact with individuals involved in the mining industry and public sector resource issuers. From these sources the Company has made numerous contacts and in the event that the Company were in a position to nominate any new directors, such individuals would be brought to the attention of the Directors of the Company. The Company conducts due diligence, reference and background checks on any suitable candidate and if selected to be appointed as a Director. The Corporate Governance Committee is involved in the selection process and the Board is then involved to review any proposed compensation.

### **Compensation**

Compensation matters are considered by the full Board of Directors. See *Statement of Executive Compensation* above for information regarding the Company's compensation of its Directors and CEO.

### **Other Board Committees**

The Company currently has no committees other than the Audit Committee and Compensation, Corporate Governance and Nominating Committee. The Audit Committee Charter and additional disclosure related to the Audit Committee is attached hereto in Appendix 1.

**Assessments**

Being a venture issuer with limited administration resources, the Directors of the Company work closely with management, and each other, and as a consequence are in a position to assess the performance of the Board, its Committee and individual directors on an ongoing basis.

**INDEBTEDNESS OF DIRECTORS AND EXECUTIVE OFFICERS**

None of the Directors or Executive Officers of the Company or associates or affiliates of such persons is or has been indebted to the Company or its subsidiaries at any time since the beginning of the last completed financial year of the Company.

**INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS**

Except as otherwise set out in this Information Circular and other than transactions carried out in the ordinary course of business of the Company, no insider or proposed nominee for election as a director of the Company, and no associate or affiliate of the foregoing persons, has or had any material interest, direct or indirect, in any transaction since the commencement of the Company's last completed financial year, or in any proposed transaction which in either such case has materially affected or will materially affect the Company.
